Re: Request for Access to Records
Freedom of Information and Protection of Privacy Act (FOIPPA)

I am writing further to your request received by the Ministry of Children and Family Development. Your request is for:

A list of full-time regular child protection workers in the Ministry, including name, position title and location, as of March 1, 2017.

Please find enclosed a copy of the records that were created, further to the Ministry's obligations under section 6 of FOIPPA, to respond to your request. You will note that the records created to respond to your request include the position title and location of individuals but do not include their names, as creating such a record would unreasonably interfere with the operations of the Ministry and therefore is not required by section 6 of FOIPPA. These records are provided to you in their entirety. Additionally, please note that the names of supervisors and office managers are publically available at the following URL: <http://dir.gov.bc.ca>

Your file is now closed.

These records will be published on the BC Government's Open Information website a minimum of five business days after release. To find out more about Open Information, please access the Open Information website at: www.gov.bc.ca/openinformation
