Re: Request for Access to Records
Freedom of Information and Protection of Privacy Act (FOIPPA)

I am writing further to your request received by the Ministry of Children and Family Development. Your request is for:

Requesting the data and records used to arrive at the 2020/21 CCFRI Funding guidelines, specifically pertaining to the Fee Cap for new schools. This would include the data set of child care providers used by the Ministry to arrive at the published Fee Cap tables in the CCFRI Funding Guidelines. I would also like details of the steering committee members who worked on this initiative with the Ministry. I would also like the list, if any, of the child care providers in the province the Ministry engaged with on this initiative. Please provide all of the minutes to the meetings the Ministry, Committee members and/or Steering committees scribed while preparing the 2020-21 CCFRI Funding guidelines. Records of the number of public, non-profit and private Child Care providers engaged during the development of the new funding guidelines. CCFRI Funding guidelines briefing notes for Minister Dean and Minister Chen. (Date Range for Record Search: From 4/1/2020 To 1/31/2021)

Some information has been withheld pursuant to section(s) 12 (Cabinet and local public body confidences), 13 (Policy advice or recommendations), 22 (Disclosure harmful to personal privacy) of FOIPPA. A complete copy of FOIPPA is available online at:
