Re: Request for Access to Records
Freedom of Information and Protection of Privacy Act (FOIPPA)

I am writing further to your request received by the Ministry of Citizens' Services. Your request is for:

Copies of policies or procedures describing the process Information Access Operations uses to determine whether an applicant filing a request under the Freedom of Information and Protection of Privacy Act is an Indigenous Governing Entity, as well as a list of organizations considered an Indigenous Governing Entity to date. (Date Range for Record Search: From 11/25/2021 To 5/18/2023)

You have asked for a list of organizations considered an Indigenous Governing Entity. Page 3 of the records provided includes a list of the eight organizations that have self-identified as an Indigenous Governing Entity (IGE) for the period November 25, 2021, to May 18, 2023. In alignment with the Declaration Act and the United Nations Declaration on the Rights of Indigenous Peoples, Information Access Operations (IAO) supports IGEs to self-identify for FOI request purposes as a matter of Indigenous self-determination. The ministry also strives to respect and maintain the right to anonymity for FOI applicants. In consideration of these factors, the organization names are being withheld pursuant to section 16 (Disclosure harmful to intergovernmental relations or negotiations) of FOIPPA. A complete copy of FOIPPA is available online at:
