Re: Request for Access to Records
Freedom of Information and Protection of Privacy Act (FOIPPA)

I am writing further to your request received by the Ministry of Education. Your request is for:

Requesting an excel or csv record of school building sizes for all school buildings in all BC public school districts for a research project. Source could be the VFA Facility Condition Report (presumably the same data set as FOI Request - EDU-2016-64760). See <https://www.sd68.bc.ca/wp-content/uploads/Rutherford-VFA-Facility-Condition-Report.pdf>. Records should be ordered, per row, as (1) School District Name, (2) School Building Name/Asset Name, (3) Ministry Facility Code, and (4) Floor Area/Size (in square meters or square feet as per source). <http://www.bced.gov.bc.ca/apps/imcl/imclWeb/excelSchoolBoardContacts> provides an list of all schools in BC. Filtering for Public schools identifies approximately 2300 schools. (Date Range for Record Search: From 01/01/2018 To 12/31/2018)

Please find enclosed a copy of the records located in response to your request. These records are provided to you in their entirety. Your file is now closed.

These records will be published on the BC Government's Open Information website a minimum of ten business days after release. To find out more about Open Information, please access the Open Information website at: www.gov.bc.ca/openinformation
