**Re: Request for Access to Records**  
***Freedom of Information and Protection of Privacy Act (FOIPPA)***

I am writing further to your request received by the Ministry of Education. Your request is for:

*A copy of an itemized budget that supports School District 61's claim of a \$79.7M budget for Vic High's seismic upgrade. In this itemized budget, the aspects of the project that comprise the \$2.6M shortfall should be highlighted for clarity. If the budget for Vic High's seismic upgrade is, in fact, \$77.1M, or some other figure, please provide records confirming this fact. If no budget for \$79.7M exists, then please make that fact clear as well. Please also provide a document confirming whether or not the Neighbourhood Learning Centre (NLC) funding is included in the \$77.1M seismic upgrade budget provided by the Ministry or if the \$6M NLC is supported by separate funding. If so, please provide documentation of this source of funding. In addition, please provide the site plans for Vic High that show the location of the NLC as well as any parking or other amenities that are associated with this facility.*

Some information has been withheld pursuant to sections 13 (Policy advice or recommendations) and 17 (Disclosure harmful to the financial or economic interests of a public body) of FOIPPA. A complete copy of FOIPPA is available online at:

# **BC Government Secure File Transfer Service**

## **Information Access Operations Ad-Hoc User Guide**

### **Introduction**

The purpose of this document is to provide the basics skills required to use the Secure File Transfer Service (SFTS) as a temporary user (also known as ad-hoc). Your account has limited functionality and can only be used to receive files from an authorized BC Government user.

### **How to Log on to the Service**

As a temporary user of the SFTS, you must be invited to use this service by being a recipient of a sent package from an authorized user. The first time a BC Government user has sent a package to you, you will receive a welcome email notification with a temporary password to set up your account and a link to the service.

Note that your temporary account's username is your email address. The password is a temporary one and will need to be changed upon the first login.

### **Home Screen**

Once you are successfully logged in, you will see the Home screen with your records package in your Inbox. To download your records, simply click on the records package and then click on the Download button beside the file(s). You will be able to download the package up to five times and all packages will expire 35 days after being received.

### **Troubleshooting**

Your temporary SFTS account has an expiration timer of 7 days, unless the account is logged into again or receives a new package. After a further 7 days after your account has been marked as expired, it will be deleted. You will need to have a new ad-hoc account created by being re-invited to the service.

Passwords expire after 90 days. If you have forgotten your password, but your account is still active, you can use the "Request a password change" link on the Login page. An email will be sent to you providing you the URL to confirm the password change.

If you encounter technical issues with the service, please call the technical support line at 250-387-7000 and select option 3. You will need to advise the representative that you are requesting assistance as an ad-hoc user of the BC Secure File Transfer Service.
