Re: Request for Access to Records
Freedom of Information and Protection of Privacy Act (FOIPPA)

I am writing further to your request received by the Ministry of Education. Your request is for:

An updated spreadsheet with updated data to include the teacher statistics for the 2019-20 school year for the Teacher Statistics Reports for the province and all of the school districts. The reports and spreadsheets contain data on the headcount of all staff, full-time staff, part-time staff, the FTE of staff, their average base salary, their average total salary, the headcount by age categories, their average age, and until recently their average teaching experience and the number of staff by education certificates they have. All these data are then broken down into three types of staff: teachers, administrators, and educators (teachers and administrators combined).

These records are provided to you in their entirety. Please note that some information requested has not been included in your records package, which is listed below:

Information Excluded	Reason for Exclusion
average total salary	not currently accurate enough for reporting
headcount by age categories	new data masking policy would render this not valuable due to the number of cells masked
average teaching experience	to code this will take an estimate of 7 hours and could not be processed under section 6(2)
number of staff by education certificates they have	this data is not available in the current payroll data set

Your file is now closed.

The records located in response to your request will be delivered through the BC Secure File Transfer Service. Separate emails will follow from the BC SFT Notification Service directing

you how to set up an account and where to obtain your records. A guide for using the SFTS is enclosed for your convenience.

These records will be published on the BC Government's Open Information website a minimum of ten business days after release. To find out more about Open Information, please access the Open Information website at: www.gov.bc.ca/openinformation

If you have any questions regarding your request, please contact Nina MacKenzie, the analyst assigned to your request, at 778 698-3137. This number can be reached toll-free by calling from Vancouver, 604 660-2421, or from elsewhere in BC, 1 800 663-7867 and asking to be transferred to 778 698-3137.

You have the right to ask the Information and Privacy Commissioner to review this decision. I have enclosed information on the review and complaint process.

Sincerely,

Nina MacKenzie

BC Government Secure File Transfer Service

Information Access Operations Ad-Hoc User Guide

Introduction

The purpose of this document is to provide the basics skills required to use the Secure File Transfer Service (SFTS) as a temporary user (also known as ad-hoc). Your account has limited functionality and can only be used to receive files from an authorized BC Government user.

How to Log on to the Service

As a temporary user of the SFTS, you must be invited to use this service by being a recipient of a sent package from an authorized user. The first time a BC Government user has sent a package to you, you will receive a welcome email notification with a temporary password to set up your account and a link to the service.

Note that your temporary account's username is your email address. The password is a temporary one and will need to be changed upon the first login.

Home Screen

Once you are successfully logged in, you will see the Home screen with your records package in your Inbox. To download your records, simply click on the records package and then click on the Download button beside the file(s). You will be able to download the package up to five times and all packages will expire 35 days after being received.

Troubleshooting

Your temporary SFTS account has an expiration timer of 7 days, unless the account is logged into again or receives a new package. After a further 7 days after your account has been marked as expired, it will be deleted. You will need to have a new ad-hoc account created by being re-invited to the service.

Passwords expire after 90 days. If you have forgotten your password, but your account is still active, you can use the "Request a password change" link on the Login page. An email will be sent to you providing you the URL to confirm the password change.

If you encounter technical issues with the service, please call the technical support line at 250-387-7000 and select option 3. You will need to advise the representative that you are requesting assistance as an ad-hoc user of the BC Secure File Transfer Service.

<p>How to Request a Review with the Office of the Information and Privacy Commissioner</p>
--

If you have any questions regarding your request please contact the analyst assigned to your file. The analyst's name and telephone number are listed in the attached letter.

Pursuant to section 52 of the *Freedom of Information and Protection of Privacy Act* (FOIPPA), you may ask the Office of the Information and Privacy Commissioner to review any decision, act, or failure to act with regard to your request under FOIPPA.

Please note that you have 30 business days to file your review with the Office of the Information and Privacy Commissioner. In order to request a review please write to:
