Re: Request for Access to Records
Freedom of Information and Protection of Privacy Act (FOIPPA)

I am writing further to your request received by the Ministry of Education. Your request is for:

It is for the CEF (Classroom Enhancement Fund) Staffing and Funding Data showing the funding amount and the number of public education staff at each school district and the provincial total for each school year up to the 2020-21 school year. Please include the funding and staffing totals, as well as divided into categories such as enrolling, teacher-librarians, counsellors, special education teachers, learning assistance teachers, English-language-learning teachers, TToC, overhead costs, remedies incurred, and any other category funded by the CEF. Please provide the data in machine-readable format, preferable in the original excel spreadsheet. We have received the data in previous school years from the Ministry. If the data could be provided in the same or similar layout that would be great.

These records are provided to you in their entirety.

Your file is now closed.

The records located in response to your request will be delivered through the BC Secure File Transfer Service. Separate emails will follow from the BC SFT Notification Service directing you how to set up an account and where to obtain your records. A guide for using the SFTS is enclosed for your convenience.

These records will be published on the BC Government's Open Information website a minimum of ten business days after release. To find out more about Open Information, please access the Open Information website at: www.gov.bc.ca/openinformation
