**Re: Request for Access to Records
Freedom of Information and Protection of Privacy Act (FOIPPA)**

I am writing further to your request received by the Ministry of Environment and Climate Change Strategy (EMCR). Your request is for:

Records regarding the times local governments have declared a state of emergency, also records of when the province received DFAA payments from the federal government, and how much they received for individual disasters. (Date Range for Record Search: From 1/1/2013 To 12/31/2023)

On February 13, 2024, you clarified that you were not looking for physical records. The Ministry has created a record in response to the portion of the request related to DFAA payments. This record is provided to you in its entirety.

The remainder of your request is related to when local governments' have declared a state of emergency. The Ministry does not track this information. You would need to request that data from each of the local governments' you are requesting data for.

Your file is now closed.

These records will be published on the BC Government's Open Information website a minimum of ten business days after release. To find out more about Open Information, please access the Open Information website at: www.gov.bc.ca/openinformation
