Re: Request for Access to Records
Freedom of Information and Protection of Privacy Act (FOIPPA)

I am writing further to your request received by the Ministry of Energy, Mines and Low Carbon Innovation. Your request is for:

Records of the Bonding/Security Agreement of the Blackwater Project, between Artemis Gold Inc, BW Gold LTD and the Ministry of Mines & Energy, of the security that has been put up for this Project for reclamation; including full disclosure of any and all language upon the sale of this project by Artemis or BW Gold Ltd to another Company also. (Date Range for Record Search: From 1/1/2020 To 10/13/2022)

Some information has been withheld pursuant to section(s) 16 (Disclosure harmful to intergovernmental relations or negotiations) and 22 (Disclosure harmful to personal privacy) of FOIPPA. A complete copy of FOIPPA is available online at:

http://www.bclaws.ca/civix/document/id/complete/statreg/96165_00

Your file is now closed.

The Ministry advises that they do not hold records regarding the sale of the mine site to Artemis, as it was sale between two private companies. As Blackwater is not yet a permitted mine, they have supplied the Early Works permit in response to your request. This is an Early Works permit only and the reclamation bond is for pre-work, not for an operating mine. The Ministry advises that if and when the mine is permitted, the reclamation security bond will be substantially higher than what was required for early work only.
