Re: Request for Access to Records
Freedom of Information and Protection of Privacy Act (FOIPPA)

I am writing further to your request received by the Ministry of Energy, Mines and Petroleum Resources. Your request is for:

Records indicating the number of inspections of placer activities in 2017 and 2018, including the mine number, mine name, and date of inspection. (Date Range for Record Search: From 01/01/2017 To 11/26/2018)

Please find enclosed a copy of the records located in response to your request. These records are provided to you in their entirety.

Please be advised that in your request, the Ministry identified records that could not be created from a machine-readable record in the custody or under the control of the public body using its normal computer hardware and software and technical expertise. The creation of such records would require significant resources on the part of the Ministry. Pursuant to section 6(2) of FOIPPA, the Ministry has fulfilled its duty to assist and is not required to create these records in response to your request.

Your file is now closed.

These records will be published on the BC Government's Open Information website a minimum of five business days after release. To find out more about Open Information, please access the Open Information website at: www.gov.bc.ca/openinformation
