Re: Request for Access to Records
Freedom of Information and Protection of Privacy Act (FOIPPA)

I am writing further to your request received by the Ministry of Finance. Your request is for:

Regarding all incidents reported by all schools in British Columbia to the School Protection Program on allergic events including without limitation anaphylactic events from January 1, 2010 to October 26, 2018, showing File Number, Incident Date, Incident Reported Date, Reporting Location, Event Location, Location Type, Reporter description, Incident Summary, Claimant Birth year, Death Date, Claimant Type, Litigated, Action Status, File Status, File Type, Coverage, and RBM Unit. (Date Range for Record Search: From 01/01/2010 To 10/26/2018)

Please find enclosed a copy of the records located in response to your request. Some information has been withheld pursuant to section 22 (Disclosure harmful to personal privacy) of FOIPPA. A complete copy of FOIPPA is available online at:

http://www.bclaws.ca/civix/document/id/complete/statreg/96165_00

Please note that the Ministry's case management system does not have a specific code to identify allergic events. Therefore, the records in this package were collected using a key word search for related terms. Additionally, please be aware that each incident is separated between two different pages. The first 61 pages line up with the rows from the last 61 pages.

These records will be published on the BC Government's Open Information website a minimum of five business days after release. To find out more about Open Information, please access the Open Information website at: www.gov.bc.ca/openinformation
