**Re: Request for Access to Records**  
***Freedom of Information and Protection of Privacy Act (FOIPPA)***

I am writing further to your request for reconsideration regarding your previously closed request with the Ministry of Finance. Your original request was submitted on February 17, 2021. Your request is for:

*Please provide records in CSV/excel format. Detailed line item expenditure report of all health-related federal government funding/transfers for COVID-19 related issues, including testing capacity. Ensure that records indicate how the monies are to be spent based on federal government requirements, accounting of how those monies have been allocated or directly spent by Ministry of Health (and other public bodies) (i.e. purpose/objectives), date of transfer or expected transfer to other public bodies (i.e. health authorities), and which monies have been transferred to other public bodies (and which ones) (Date Range for Record Search: From 2/3/2020 To 1/18/2021).*

Your original response was sent to you on March 12, 2021 in which you received one fully disclosed record. The Ministry has reconsidered their original response upon your request and has released additional records.

Some information has been withheld pursuant to section(s) 12 (Cabinet and local public body confidences) and 13 (Policy advice or recommendations) of FOIPPA. A complete copy of FOIPPA is available online at:
