Re: Request for Access to Records
Freedom of Information and Protection of Privacy Act (FOIPPA)

I am writing further to your request received by the Ministry of Finance. You narrowed your request on May 10, 2022 through email with Chris Hodgson. Your request is for:

Provide all Covid related funding{ work from home, lost income due to loss or limited income, etc.} provided by the Province of British Columbia to the local businesses. We are requiring the exact total amount for each business namely for the years 2021, 2022. Local business means a business based in Salmon Arm, Sicamous, Grinrod, Enderby, Blind Bay, Sorrento, Scotch Creek, and areas around those settlements (Date Range for Record Search: From 1/1/2021 To 4/7/2022)

With the request as written, any specific business names or their credit value is taxpayer information under the *Employer Health Tax Act* and cannot be released, per section 90 of that Act. To ensure taxpayer confidentiality, data for the requested locations has been combined into one figure.

The Increased Employment Incentive (IEI) program accepted applications from March 30, 2021 to December 31, 2021. The Ministry has provided records listing current amounts paid up to May 11, 2022.

There were relief programs for businesses that were administered by various Ministries, therefore, there is not a single public body that holds *all* data on “Covid-related funding.” For example, The Ministry of Jobs, Economic Recovery and Innovation (JERI) administered COVID-19 recovery programs for business such as the Small and Medium Sized Business

.../2

Recovery Grant and the Circuit Breaker Business Relief Grant. You may wish to submit separate FOI requests to access records held by other Ministries for the funding programs they administered.

Your file is now closed.

These records will be published on the BC Government's Open Information website a minimum of ten business days after release. To find out more about Open Information, please access the Open Information website at: www.gov.bc.ca/openinformation

The records located in response to your request will be delivered through the BC Secure File Transfer Service. Separate emails will follow from the BC SFT Notification Service directing you how to set up an account and where to obtain your records. A guide for using the SFTS is enclosed for your convenience.

If you have any questions regarding your request, please contact Chris Hodgson, the analyst assigned to your request, at 778 698-4157. This number can also be reached toll-free at 1 833 283-8200. Please provide the FOI request number, found at the top right of the first page of this letter, in any communications.

You have the right to ask the Information and Privacy Commissioner to review this decision. I have enclosed information on the review and complaint process.

Sincerely,

A handwritten signature in black ink, appearing to read "Eric Shiplack".
