I am writing further to your request received by the Ministry of Forests, Lands, Natural Resource Operations and Rural Development. You narrowed your request on May 16, 2019 through email with me. Your request is for:

Records indicating how much money is being spent on maintenance on the Domano FSR per calendar or fiscal year - from the gate entrance at the City of Prince George to West Lake – including but not limited to: snow plow costs, gravel costs, employee costs - to do the work, if not contracted out, and grading costs; The total original cost to install this Forest Service Road in around approximately 1991-1992. (Date Range for Record Search: From 01/01/2014 To 03/15/2019)

Please find enclosed a copy of the records located in response to your request. These records are provided to you in their entirety.

Additionally, the Ministry wishes to note that the Prince George District engineering budget is not used for any maintenance on the Domano FSR. Any work undertaken has been on behalf of the Tree Improvement Station.
