I am writing further to your request received by the Government Communications and Public Engagement. Your request is for:

(Date Range for Record Search: From 05/16/2016 To 06/16/2016)

Please find enclosed a copy of the records located in response to your request. Some information has been withheld pursuant to section(s) 13 (Policy advice or recommendations) of FOIPPA. A complete copy of FOIPPA is available online at:

Government Communications and Public Engagement states the following:

"The federal government was the lead for this event, so GCPE had no involvement in the planning and production of the event. Although Minister Fassbender attended the event, he did

not need material produced by our communications team. With that said, a more thorough search has been conducted and two draft documents have been located. They were missed in the search the first time because of a staffing change which occurred the same day the request arrived. It seems these documents had started being developed, but did not get used for the event. The oversight was not intentional and we apologize for any inconvenience this may have caused."

Your file is now closed.

These records will be published on the BC Government's Open Information website a minimum of five business days after release. To find out more about Open Information, please access the Open Information website at: www.gov.bc.ca/openinformation
