Regarding the request for “*a sub-list of any documents or materials produced for or shared with the Consultation Committee per each item.*” The Consultation Committee’s deliberations to date have not involved the review of documents. Related follow-up consultations between ministries and the Green Caucus are in some cases supported by documents prepared by ministries. The CASA Secretariat is not the office of record for such documents.

These records will be published on the BC Government’s Open Information website a minimum of five business days after release. To find out more about Open Information, please access the Open Information website at: www.gov.bc.ca/openinformation
