I am writing further to your request received by the Ministry of Health. Your request is for:

Documents that provide the total number of groups enrolled for Medical Services Plan and the total number of individuals who are covered because they are enrolled in a group for every year between 2001 and 2013, inclusive, including information that categorizes the groups and/or individuals into account holders, spouses and children. (Date Range for Record Search: From 01/01/2001 To 01/01/2014)

Please find enclosed a copy of the records located in response to your request. These records are provided to you in their entirety.

It should be noted that the 2003 report is not part of this release package. The Ministry has conducted a thorough search and could not locate the document. If the document is located in the near future, it will be released accordingly. We apologize for any inconvenience that this may cause.

Your file is now closed.
