I am writing further to your request received by the Ministry of Health. Your request is for:

*All records that discuss whether the remains of any of the victims of B.C. serial killer and Coquitlam pig farmer Robert Pickton ended in the food supply, or were used for pork products – either for his friends, family or the general public – and any health risks that could result from this, and how many people may have consumed such tainted food products; Ministry responses to the quote - the possibility that human remains were fed to pigs - in the seven-page March 11, 2004, report by Dr. Tony Giulivi of Ottawa's blood safety surveillance and health care acquired infections division.*

Please find enclosed a copy of the records located in response to your request. Some information has been withheld pursuant to section(s) 14 (Legal advice) and 22 (Disclosure harmful to personal privacy) of FOIPPA. A complete copy of FOIPPA is available online at:
