Please find enclosed a copy of the records located in response to your request. Some information has been withheld pursuant to section(s) 22 (Disclosure harmful to personal privacy) of FOIPPA. A complete copy of FOIPPA is available online at:

http://www.bclaws.ca/civix/document/id/complete/statreg/96165_00

Health Authorities' Community Care licensing offices collect information on facility closures as a regular business practice because they are responsible to do compliance monitoring and document when a facility opens or closes. The Ministry of Health CCF Licensing does not receive this information as part of regular Health Authority reporting because it is not relevant to the Ministry of Health's statutory obligations as stewards of the system. For updated information regarding the current status of licensed child care operators, please send your request to the Health Authorities.
