Re: Request for Access to Records
Freedom of Information and Protection of Privacy Act (FOIPPA)

I am writing further to your request received by the Ministry of Health. Your request is for:

Records related to the number of residents seeking a family doctor, and the shortage of family physicians, aggregate figures and breakdown by regions. (Date Range for Record Search: From 01/01/2017 To 06/30/2018)

The Ministry advises that the data you requested does not exist. The Ministry tracks attachment rates of British Columbians to either family physicians or practices. Regional data on the attachment rates has been attached, and the most recent year for which data is available is for fiscal year 2016/2017. Please find enclosed a copy of the records located in response to your request. These records are provided to you in their entirety.

Your file is now closed.

These records will be published on the BC Government's Open Information website a minimum of five business days after release. To find out more about Open Information, please access the Open Information website at: www.gov.bc.ca/openinformation
