Re: Request for Access to Records
Freedom of Information and Protection of Privacy Act (FOIPPA)

I am writing further to your request received by the Ministry of Health. Your request is for:

All data, information or records obtained, however stored, regarding travel and associated expenses incurred by patients and their families, to obtain necessary health services, away from their home area, but within British Columbia. (Date Range for Record Search: From 01/01/2014 To 09/30/2019)

Please find enclosed a copy of the records located in response to your request. These records are provided to you in their entirety. The Ministry of Health provides funding for the Travel Assistance Program but does not have specific costs borne by individual families. The attached records provide the annual expenditure for the Travel Assistance Program. Additionally, the Ministry of Health recommends submitting your request to Regional Health Authorities and the Provincial Services Health Authority as they may have responsive records.

These records will be published on the BC Government's Open Information website a minimum of ten business days after release. To find out more about Open Information, please access the Open Information website at: www.gov.bc.ca/openinformation
