**Re: Request for Access to Records  
Freedom of Information and Protection of Privacy Act (FOIPPA)**

I am writing further to the request you submitted to the Ministry of Health. Your request was for:

*Annual case counts of the use of restraints with involuntary patients pursuant to the Mental Health Act, disaggregated by category of restraint (e.g. mechanical/chair/strap; physical/manual restraint by staff; seclusion room; none) and any available periods of time restraint was used (e.g. use that is less than 12 hours, use that exceeds 24 hours, unknown, and none). (Date Range for Record Search: From 4/1/2016 To 3/31/2022)*

The ministry responded to this request on April 3, 2023, and your file was closed. In response to your follow-up correspondence after the closure of this file, the ministry conducted a secondary search and additional records were located. As per our emails describing the limitations on data before 2018, you agreed to receive the 2018-2022 records. These records are provided to you in their entirety.

Your file is now closed.

These records will be published on the BC Government's Open Information website a minimum of ten business days after release. To find out more about Open Information, please access the Open Information website at: [www.gov.bc.ca/openinformation](http://www.gov.bc.ca/openinformation)

The records located in response to your request will be delivered through the BC Secure File Transfer Service. Separate emails will follow from the BC SFT Notification Service directing you how
