**Re: Request for Access to Records  
Freedom of Information and Protection of Privacy Act (FOIPPA)**

I am writing further to your request received by the Ministry of Jobs, Economic Development and Innovation. Your request is for:

*The draft copy of the report identified as "Deliverable 8" in Schedule A – services of contract FC22UCL01, also referenced on page 10 of JER-2021-12830 (Date Range for Record Search: From 8/30/2021 To 9/30/2021)*

The above request is in reference to the deliverables identified in the original contract # FC22UCL01, between the Ministry of Jobs, Economic Development and Innovation, and the Institute for Innovation and Public Purpose. The original contract was amended and deliverables 2, 3 and 8 were repealed and replaced with a revised deliverable 7.

During the course of work under the agreement, the Parties identified the opportunity to adjust Schedule A to better align with the needs of the Province and the Contractor. Schedule A was subsequently modified through an amendment to specify a single report be delivered at the conclusion of the contract. The report includes information similar to what was expected under the original agreement.

The record being released to you is a copy of the contract modification as well as a [link](#) to the report.

Some information has been withheld pursuant to section 13 (Policy advice or recommendations) of FOIPPA. A complete copy of FOIPPA is available online at:
