(Date Range for Record Search: From 01/01/2014 To 10/05/2016)

Please find enclosed a copy of the records located in response to your request. These records are provided to you in their entirety. The public body also included this correspondence to provide some context for the provided records:

The attached record does not include group campsites (for groups of 20-100 people), backcountry sites, Class "C" Parks, or any other type of "non-formalized" (sites that are "open" and do not necessarily have a numerical identifier, picnic table or fire ring) campsites.

A complete copy including any attachments or appendices of the annual report for the Discover Camping reservation service for 2014 and 2015.
