**Re: Request for Access to Records  
Freedom of Information and Protection of Privacy Act (FOIPPA)**

I am writing further to your request received by the Ministry of Environment and Climate Change Strategy. Your request is for:

*Copies of any asphalt plant Approvals and Permits (including amended and cancelled permits), inspection and compliance reports, correspondence, and other Ministry records (from Ministry of Environment Lands and Parks, Waste Management Division, or from the Ministry responsible at the time the records were written) regarding IMPERIAL PAVING LIMITED and any other companies that formerly operated from the Site located at 11546 Dewdney Trunk Road, Mission, BC, Legal description: Lot 2, Section 16 and Section 17, Township 18, NWD, Plan 41306. Asphalt plant models listed in the provincial records could include a CMI HT800 or a GENCOR 300 Ultra Drum (Date Range for Record Search: From 1/1/1994 To 12/31/2017)*

The Ministry advises that when conducting their extensive search, the only responsive records the ministry found were outside the date range of the FOI; however, the ministry would like to provide these records as they may be of interest. These records are provided to you in their entirety.

Your file is now closed.

These records will be published on the BC Government's Open Information website a minimum of ten business days after release. To find out more about Open Information, please access the Open Information website at: [www.gov.bc.ca/openinformation](http://www.gov.bc.ca/openinformation)
