**Re: Request for Access to Records**  
***Freedom of Information and Protection of Privacy Act (FOIPPA)***

I am writing further to your request received by the BC Public Service Agency.

Your request is for:

*The number of government employees who have received pay increases since the beginning of 2020, including step pay increases, do not include pay raises due to promotions to new positions. Please provide the annual breakdown (i.e., 2020 and 2021 YTD/forecast). Please include annual costs for these pay increases (i.e., 2020 and 2021 forecast). (Date Range for Record Search: From 12/31/2019 To 5/9/2021)*

These records are provided to you in their entirety.

The Ministry has provided the following with respect to interpreting the data provided:

**“The information has been broken down into 2 sets: by the type of increase, and by year with the sum of hourly rate increases. In this case of the Action type, a union employee can have more than 1 increase in that they get across-the-board increases each year as well as a merit increase or growth series increase.**

**Management usually only get 1 increase per year, but this increase has not yet been processed.**

**The second smaller table counts each employee that received an increase regardless of the number of increases and the sum of the hourly rate for each year. For example, an ATB increase should be applied starting April to March of the next year and management IRM from July to July the next year, whereas the other three (GSI, MER and MGT could be applied at any point in the calendar year.**

.../2

**Also included are the average weekly hours worked for the individuals that received an increase in 2020 and 2021 (including part time and hourly employees)."**

Your file is now closed.

The records located in response to your request will be delivered through the BC Secure File Transfer Service. Separate emails will follow from the BC SFT Notification Service directing you how to set up an account and where to obtain your records. A guide for using the SFTS is enclosed for your convenience.
