Re: Request for Access to Records
Freedom of Information and Protection of Privacy Act (FOIPPA)

I am writing further to your request received by the Ministry of Public Safety and Solicitor General (Corrections Branch). Your request is for:

All records, including a case review, involving the management of high-risk offender Raymond Caissie. (Date Range for Record Search: From 09/15/2017 To 09/25/2017)

Corrections Branch has advised that there is no case review for the time frame of your request. However, as there was a case review conducted in 2014, those records were located and provided in response to your request. Some information has been withheld pursuant to sections 13 (Policy advice or recommendations), 15 (Disclosure harmful to law enforcement), 16 (Disclosure harmful to intergovernmental relations or negotiations), and 22 (Disclosure harmful to personal privacy) of FOIPPA. A complete copy of FOIPPA is available online at:

The only other record located for the time frame of your request is the offender's client log. This record has been withheld in its entirety, pursuant to section 22 of FOIPPA. Additionally, some information in this record has been withheld pursuant to section 15, specifically subsections (1)(f) (disclosure could endanger the life or physical safety of a law enforcement officer or other person), (1)(l) (disclosure harmful to the security of any property or system, including a building, a vehicle, a computer system or a communications system), and (2)(c) (disclosure could harm the supervision or release of a person who is in custody or under supervision in the community).

These records will be published on the BC Government's Open Information website a minimum of five business days after release. To find out more about Open Information, please access the Open Information website at: www.gov.bc.ca/openinformation
