**Re: Request for Access to Records  
Freedom of Information and Protection of Privacy Act (FOIPPA)**

I am writing further to your request received by the Ministry of Public Safety and Solicitor General. Your request is for:

*Any complaints respecting matters related to the Security Services Act, statistics showing the number, nature, outcome (e.g., not accepted, sanction and nature of sanction, etc.), and type of security service for those complaints, broken down by year. Include statistics on requests for review of decisions not to investigate, and the outcome of those requests. Records may be held by the Security Programs Division. (Date Range for Record Search: From 5/31/2007 To 12/31/2023)*

These records are provided to you in their entirety. Your file is now closed.

The fee was warranted since the Ministry needed to create a new record with the responsive information, per s. 6 (duty to assist the applicant) of the FOIPPA, based on their search of related information where time was expended to locate the same and prepare the record.

These records will be published on the BC Government's Open Information website a minimum of ten business days after release. To find out more about Open Information, please access the Open Information website at: [www.gov.bc.ca/openinformation](http://www.gov.bc.ca/openinformation)

The records located in response to your request will be delivered through the BC Secure File Transfer Service. Separate emails will follow from the BC SFT Notification Service directing you how

to set up an account and where to obtain your records. A guide for using the SFTS is enclosed for your convenience.

You have the right to ask the Information and Privacy Commissioner to review this decision. I have enclosed information on the review and complaint process.

Sincerely,

A handwritten signature in black ink, appearing to read "Taylor Thow", written in a cursive style.
