Re: Request for Access to Records
Freedom of Information and Protection of Privacy Act (FOIPPA)

I am writing further to your request received by the Ministry of Transportation and Infrastructure. Your request is for:

Reports, analysis and plans for the traffic lights at redesigned signalized intersections on Highway 17 from edge of BC Ferry Causeway to past 56th St., Delta towards 28th Ave overpass, specifically the timings and any reports such as Bunt Report (2012) to Tsawwassen First Nation, which MOTI has declined to share/release. (Date Range for Record Search: From 08/01/2011 To 09/01/2015)

Please find enclosed a copy of the records located in response to your request. Some information has been withheld pursuant to sections 16 (Disclosure harmful to intergovernmental relations or negotiations) of FOIPPA. A complete copy of FOIPPA is available online at:

http://www.bclaws.ca/EPLibraries/bclaws_new/document/ID/freeside/96165_00

While portions of the traffic impact report are being withheld at the request of the Tsawwassen First Nation, ministry wants to advise the applicant that ministry traffic engineers reviewed and accepted the traffic projections contained within the report. Ministry engineers are satisfied that the highway improvements constructed by TFN and traffic signal adjustments accepted by the Ministry will result in levels of service equal to or better than those pre-development. Specific signal timing plans were also developed to ensure smooth flow while ferry offloading.

Your file is now closed.

These records will be published on the BC Government's Open Information website a minimum of 72 hours after electronic release or a minimum of five business days after release by mail in hardcopy. To find out more about Open Information, please access the Open Information website at: <http://www.openinfo.gov.bc.ca/ibc/index.page>
