Dear

Re: Request for Access to Records
Freedom of Information and Protection of Privacy Act (FOIPPA)

I am writing further to your request received by the Ministry of Transportation and Infrastructure. Your request is for:

A list of contracts, over \$200,000, with a start date within the time frame. (Date Range for Record Search: From 10/01/2014 To 10/17/2016)

Please find enclosed a copy of the records located in response to your request. These records are provided to you in their entirety. Please note that pages 1-65 of the Ministry of Transportation and Infrastructure's records package is a listing of construction contracts for the time period requested. This list also includes contracts under \$200,000 as well as over, up to October 27, 2016. Pages 66-69 of the records packages are consulting services up to March 31, 2016. The ministry is currently working to collate the current fiscal year records for consulting services contracts from April 1 to October 27, 2016; however, the records will not be available until the New Year. We recommend that you submit a separate FOI request for the remainder of the consulting services contracts records in the New Year. Your file is now closed.

These records will be published on the BC Government's Open Information website a minimum of five business days after release. To find out more about Open Information, please access the Open Information website at: www.gov.bc.ca/openinformation
