**Re: Request for Access to Records
*Freedom of Information and Protection of Privacy Act (FOIPPA)***

I am writing further to your request received by the Ministry of Transportation and Infrastructure. Your request is for:

Any application for Preliminary Layout Approval or Subdivision Approval that has been submitted to the Ministry of Transportation in relation to 2389 Highway 3, Fernie BC (being PID 011-751-690, Lot 3, District Lot 4130, Kootenay District Plan 1339). (Date Range for Record Search: From 10/1/2021 To 6/7/2022)

Some information has been withheld pursuant to section(s) 3 (Application). A complete copy of FOIPPA is available online at:

http://www.bclaws.ca/civix/document/id/complete/statreg/96165_00

These records only confirm receipt of the Subdivision application that it is still in process and therefore the Ministry's position on the application details has not yet been decided. These records in no way indicate acceptance or approval of the Subdivision application.

Ministry also noted that pages 5-32 of the package (withheld under Section 3 of FOIPPA) are available for a fee from BC Land & Title. Additionally, pages 33 and 34 (withheld under Section 3 of FOIPPA) are available for a fee from BC Registry Services.

.../2

Land Title and BC Registry Services documents will always be withheld under section 3 as they are publicly available for a fee.

Your file is now closed.

These records will be published on the BC Government's Open Information website a minimum of ten business days after release. To find out more about Open Information, please access the Open Information website at: www.gov.bc.ca/openinformation

The records located in response to your request will be delivered through the BC Secure File Transfer Service. Separate emails will follow from the BC SFT Notification Service directing you how to set up an account and where to obtain your records. A guide for using the SFTS is enclosed for your convenience.

If you have any questions regarding your request, please contact Andrew Wintraub, the analyst assigned to your request, at 778-405-2891. This number can also be reached toll-free at 1 833 283-8200. Please provide the FOI request number, found at the top right of the first page of this letter, in any communications.

You have the right to ask the Information and Privacy Commissioner to review this decision. I have enclosed information on the review and complaint process.

Sincerely,
