**Re: Request for Access to Records
Freedom of Information and Protection of Privacy Act (FOIPPA)**

I am writing further to your request received by the Ministry of Transportation and Infrastructure. You narrowed your request on March 27, 2023 through email with Michelle White, FOI Specialist. Your request is for:

Information and briefing notes pertaining to the AIM Roads Inc May 27 2022 placement of traffic safety cone at the Pyramid Park exit between Summerland and Penticton in relation to a missing Chevron sign in the highway meridian. Specifically: the records or briefing notes of when the lighted chevron was reported missing. Was it a routine inspection or reported by Police/Insurance/Citizen? More importantly the records or briefing notes on what Aim Roads Inc truck/crew placed the traffic safety cone down on May 27th 2022. Work logs could suffice. I am told the lighted chevron was replaced on May 28 2022. I would like to see the records and briefing notes on what crew replaced the chevron and I would request the records pertaining to the cost of the replacement of the lighted chevron on May 27th 2022 at Pyramid Provincial Park Hwy 97.

Records Aim Roads Inc contract obligations regarding the replacement of lighted chevron signs on highway 97 between Summerland and Penticton. (Date Range for Record Search: From 5/27/2022 To 6/14/2022)

These records are provided to you in their entirety.

The Ministry held no responsive records regarding some portions of your request as records. Should they exist, they are outside the requested date range of search. In response to your query regarding who reported the chevron missing, this information is provided on page 1 of the records package - as "own Personnel". In response to your query regarding the cost of replacing the
