Deputy Speaker

East Annex, Parliament Buildings

Victoria, BC V8V 1X4

Dear Mr. Lee

I am writing this letter on behalf of the British Columbia Association of TCM & Acupuncture Practitioners (ATCMA) to request you to facilitate a meeting with officer from the Ministry of Health regards to requirements of clinical record for MSP acupuncture billing.

Recently our members asked the association to find out what is the requirement of medical record for MSP acupuncture billing. As you may know, most of our members have never received any training in this regard. When an officer visits their clinic, they may present the medical record which may not meet the requirement and their claims may be denied. Therefore a continuing education is necessary to prevent this.

In order to provide proper training to our members, I would urge you to facilitate a meeting with the officer who is in charge of MSP billing. We would also ask you to invite CTCMA personnel to join this meeting.

We are looking forward to hearing from you soon.

Sincerely,

Fei Che Dr. TCM

President ATCMA
