Dear Minister Mark,

I hope this email finds you well.

I'm getting in touch to see if we could set up a meeting with you in Victoria next week. We have 129,000 Leadnow members in BC, and 5,000 members in your riding, and we would love to chat with you about the Leadnow community's priorities.

My colleague Rachel Tetrault (cc'd) and I will be in Victoria on Wednesday November 22nd. Is there a time on that date that might work for a meeting?

Looking forward to hearing from you, and have a great day!

Best,

Chloe

Hi Christian,

Incoming in the AEST.Minister inbox

From: Chloe Lawson, Community Support Coordinator, Leadnow

RE: Thank you for the work on BC's post-secondary sexual violence and misconduct prevention and response policies. Also noting that they would like to support the Ministry's work in this area, and to let them know if there are ways that Leadnow community can "plug in" in the future.

How would you advise I action this item?

Thanks,

Michael

Dear Minister Mark,

We're writing to say thank you for the work you are doing around BC's post secondary sexual violence and misconduct prevention and response policies. This is an issue that the Leadnow community cares a lot about, and we're really impressed and excited by the feedback process that you've set up.

We would love to support your work in this area, so please don't hesitate to reach out if there are ways that the Leadnow community might be able to plug in (beyond the feedback process) in the future.

Have a great holiday,

Chloe, on behalf of the Leadnow community
