Hi Cindy,

Currently, the third Apprenticeship Ratios Stakeholder meeting is in the Minister's and DM's calendars for March 20 starting at 10 am.

We have just been advised that a key stakeholder cannot make that timing. Is there any way we can start the meeting at 8:30 am please?

Thanks,
Ashley

My name is Braden Klassen, I'm a Kwantlen Polytechnic University student and I'm writing an article for the campus newspaper about the B.C. government's commitment to add 2,900 tech-related spaces for students - including 40 at KPU.

If the Minister could set aside some time for a quick 5-10 minute phone interview with me some time this week, I would really appreciate it.

Hi Christine,

I'm writing on behalf of David Walls, President College of the Rockies to request a meeting with Hon. Robinson.

On February 27th the Presidents from BC's colleges will be at the Legislature to meet MLAs and Ministers to explain the positive impact of the colleges in their communities.

This is an effective opportunity for Hon. Robinson to better understand College of the Rockies and ask questions.

Can a meeting occur on Tuesday, February 27th?

Many thanks Christine.
