FYI: Some facts not accurate. From Ministry of Finance:

It's completely wrong.
We're not writing down / retroactively removing interest from all loans.

We're not writing down anything.

We're restating the loan receivable in accordance with Public Sector accounting requirements in the year the Debit was made and amortizing that amount over the repayment life of the loan. No write down whatsoever.

All interest owing at February 18 is due and payable.

Approximate Annual interest savings to current borrowers is 22million.

Hi Amanda,

As requested here are the outstanding requests:

AED-2019-90377	Records of any and all emails, text messages, BBMs, slack messages, and WhatsApp messages - excluding attachments -

	sent from the Administrative Assistant(s) in the Minister's/Minister of State's/Premier's office - where such a position exists and was staffed (Date Range for Record Search: From 07/01/2018 To 07/31/2018)
AED-2019-90745	All records regarding the appointment of Michael Eso as Ministerial Advisor (Date Range for Record Search: From 10/01/2018 To 10/31/2018)

Attached is a clean copy and tracked change version of a BN on the CleanBC Labour Readiness (SLMP) project which includes the Terms of Reference (TOR) and Steering Committee (SC) members. The BN was used by Bobbi Plecas to brief Minster Heyman and MGH has advised that he has no changes and that his approval to move forward is not required.

Changes the Minister and MO requested have also been made. This includes list of new prospective committee members representing youth, the environment and a rural perspective have been added as recommended suggestions, as well alternates.

Thanks, Shannon

Good morning Mike,

You may have been made aware of this incoming FOI request already (along with another one I will send following this email).

To start this process, can you provide me with an approximate count of the number of emails you have in your sent items box that fall within the three month period outlined in the attached PDF (October-December). If you have a practice of moving sent items into other folders for filing, that should also be taken into account. If there is a significant volume of emails, I would recommend we discuss a potential fee estimate, which will likely result in the timeframe being reduced to something more manageable.

Please let me know if you have any questions.

Hi folks,

Just following up on the discussion around the transit shelters.

Not sure you folks are aware that the 'people' ads and the 'icon' ads will work in tandem... they will be put into shelters as a unit so that people would see them essentially together. They support each other while providing different nuance.

We're going ahead with the tandem idea.

Tks,

OPEN LETTER: The discriminatory, sexist comments about Minister Jody Wilson-Raybould being spread by government officials and staff are appalling and condemnable

Dear Prime Minister Justin Trudeau,

We demand that you immediately and categorically publicly condemn the racist and sexist innuendo about Minister Jody Wilson-Raybould that is being spread by unnamed elected officials and staff of your government in media reports.

Statements from senior staffers and officials perpetuate a damaging and sexist image of Minister Wilson-Raybould as someone who was “a thorn in the side of cabinet,” “difficult to get along with,” and “known to berate fellow cabinet members at the table.” It has been reported by insiders of your government that she was someone “who others felt they had trouble trusting” and has reportedly “been in it for herself” such that “everything is very Jody-centric.”

These disingenuous statements are cowardly, low blows aimed at discrediting the staunch work ethic Minister Wilson-Raybould has maintained. They perpetuate colonial-era, sexist stereotypes that Indigenous women cannot be powerful, forthright, and steadfast in positions of power, but rather confrontational, meddling and egotistic. These comments from your staff must be recognized for what they are – blatant sexism.

We applaud and acknowledge Liberal MP Celina Caesar-Chavannes who has issued a statement that precisely captures the sexist agenda being carried out against Minister Wilson-Raybould: “As someone on the inside who knows (Wilson-Raybould), I can tell you she is fierce, smart and unapologetic. When women speak up and out, they are always going to be labelled. Go ahead. Label away.”

Hopefully, Canadians will also see the negative conduct and discriminatory rhetoric for what it is: an attempt to save face and initiate damage control about the purported wrongdoings of your office by attacking and discrediting a prominent Indigenous woman and leader. This is not the first time you and your government has conducted itself in a disapprobative and inappropriate manner. Kukpi7 Judy Wilson still awaits your apology, as requested by the UBCIC Executive in December 2018, after your dismissive and patronizing conduct and comments towards her at the Assembly of First Nations meeting in Ottawa.

We urge you to take responsibility for your behavior and that of your government. If you do not condemn these harmful statements and apologize to Minister Wilson-Raybould, you not only reaffirm a colonial belief system that Indigenous women are inferior and disposable, but the hypocrisy of your professed feminism and “most important relationship” with Indigenous people will be laid bare for all Canadians to see.

Subject: Executive Changes

Hi All,

I am writing to let you know that, effective today, there will be a number of executive changes in the Public Service.

Lori Halls will become the Deputy Minister of Emergency Management BC filling the vacancy created with Becky Denlinger's retirement. As the last two years have demonstrated, we need to build out our capacity to deal with substantial major emergencies as almost the regular course of business. Lori's previous operational experience and her tenure as Deputy Minister of the Public Service Agency have provided her with the right experience for this task.

Okenge Yuma Morisho will become the Deputy Minister of the Public Service Agency, where I expect his strong personal commitment to growing employees' capabilities and careers will become an asset for the entire Public Service.

Bobbi Plecas will become the Deputy Minister of Intergovernmental Relations. Bobbi and her team did a stellar job working with Dave, Fazil and others in pulling together the Clean BC Plan. As that Plan moves into the implementation phase, I want to use Bobbi's talents on other important files. Climate change initiatives will require significant support from the federal government, so Bobbi will remain connected to Clean BC implementation. She will also continue to lead the province's strategic discussions with BCBC in relation to the Low-Carbon Economy MOU that we signed with them in November.

Mark Zacharias will assume Deputy Minister responsibility for the climate change portfolio going forward, with Jeremy Hewitt appointed as Assistant Deputy Minister to lead our implementation efforts.

As part of our ongoing succession efforts, I am pleased to announce that Shauna Brouwer will become Deputy Minister of Tourism, Arts and Culture. Shauna led our recent engagement with the film sector and brings a finance background that will be important to projects like the Royal BC Museum and other key TAC priorities.

Joining the BC Public Service on March 4, 2019 as Deputy Minister of Municipal Affairs and Housing will be Kaye Krishna. Kaye comes to us most recently from her role as General Manager, City of Vancouver, Development, Buildings and Licensing where she has played a key role in Vancouver's housing strategy, and has had regulatory oversight for development, short term rentals, ride-share and legalization of cannabis.

Tara Faganello will be acting Deputy Minister of Municipal Affairs and Housing until Kaye joins us.

Changes at the Deputy Minister level are never made lightly, and I recognize the impact these decisions can have on an organization. These decisions weigh even heavier when they result in executives leaving the organization. s.22

Please also join me in congratulating Lori, Okenge, Bobbi, Shauna and Jeremy on their new assignments and in welcoming Kaye to the BC Public Service.

Moose Hide Campaign 2019

Colleagues,

On any given night in Canada, 3,491 women and their 2,724 children sleep in shelters to escape abuse. About 300 women and children are turned away each night because shelters are full. Part of what perpetuates violence against women and children is a culture of silence. The Moose Hide Campaign allows British Columbians to speak out and end the silence.

As co-sponsors of the 2019 Moose Hide Campaign, we are proud to stand with Don Wright, Deputy Minister to the Premier, Cabinet Secretary and Head of the BC Public Service, in our commitment to this cause.

Want to learn more about the campaign? Watch the video below to hear from your colleagues and the Moose Hide founders.

Events in Victoria and Prince George

The [2019 Provincial Gathering and Day of Fasting](#) takes place in Victoria on February 13. There is also a [regional event in Prince George](#) on the same day. Join us by wearing a moose hide pin and attending one of the day's events. Speak with your supervisor and [register](#) on the Moose Hide Campaign website. Sign-up on the [Learning Centre](#) site to include it as a part of your professional development.

If you can't attend in person, [watch a livestream](#) of the events from your computer or gather in a meeting room with colleagues. For more information, refer to the Moose Hide [FAQ for BC Public Service Employees](#). Stay tuned for information about regional events.

If you'd like to help promote the campaign, contact your [ministry lead](#).

We look forward to seeing many of you on February 13. Together, we can help end violence against women and children.

Subject: Minister Mark to attend ITA Board meeting?

Hello Amanda,

I just received a note from Roberta that Minister Mark may be attending the first portion of our Board meeting on Friday January 25. Are you able to provide any additional details, of if/when she might like to join, for how long, and is there something specific she'd like to address or have us address?

Here are the logistics for our meeting:

DATE: Friday, January 25
TIME: 8:00 am - 8:30 am (light breakfast available)
8:30 am meeting starts
LOCATION: The Westin Grand - Allegro Room @ 433 Robson Street

Please let me know if there is anything else I can provide.

Just as an fyi, our next meeting is scheduled for Thursday, March 14, in Vancouver.

Good afternoon Tom. Hope all is well with you.

As you may know, Minister Mark is unable to attend this conference.

Minister Mark wanted me to check with you to see if it would be ok with you if I sat in for part of the conference?

I have another meeting to attend that morning so would not be able to attend the entire event, but would very much appreciate the opportunity to sit in for part of the day if that is agreeable to you. Please let me know if this would work for you.

Much appreciated. Best regards.

Subject: Building for the Future conference

Hi Sarah,

Happy New Year!

s.22

s.22 I wanted to touch base with you s.22

s.22 There are some outstanding tasks that are on my plate for our upcoming Building for the Future conference on Jan. 25. I've listed the items below and I am hoping you can provide feedback for each. Urgently, we need to get our moderators pinned down.

1. Claire Trevena and Melanie Mark are both on the agenda to provide remarks from government. Can you please confirm whether there needs to be any action on our part for these items? Can I assume both ministers will have prepared speeches? We will also need short bios for the program.
2. Vicki Willow is set to provide an overview of the Community Benefits Framework. We will need her bio and photo for the program. If you can share with me her email, I'll have our event planner, Nancy Antolcic, get in touch. Nancy will also want any PowerPoints or notes that Vicki wants to present/distribute.
3. We need moderators for the two panel presentations. s.13
s.13 . If you are amenable to these folks as moderators, we will approach as to their availability.

Since Jan. 25 is fast approaching and there is still a lot of work to do, is it possible for you to let me know particularly about the moderators by end of day tomorrow?

Thanks, Sarah!

“Our government’s immediate focus is to do what we can to support the Mount Polley Mine workers, their families and the communities during this difficult time.

“Government staff will be reaching out to the affected workers to offer support and help them find other employment opportunities.”

Just FYI

\$10,000 - 12,000 would be the typical range for **private PSIs**. Tuition and fees at the publics are generally in the \$4,000 – 6,000 range. We fund the publics at \$9,000 to \$12,000 per FTE for HCA programs.

ADVICE AND RECOMMENDED RESPONSE:

BACKGROUND REGARDING THE ISSUE:

On Dec. 21, 2019, an ITA-designated private training organization unexpectedly closed its doors. Students were notified on Dec. 28, 2018.

ITA provides about \$500,000 annually for 350 seats.

The Joint Apprenticeship Refrigeration Training School (JARTS) was an ITA designated training facility. The school delivered levels 1 through 4 of the provincial technical training for the refrigeration mechanic apprenticeship program. Completion of these four levels of technical training, coupled with work experience will pave the way to inter-provincial Red Seal certification.

According to the school's website, approximately, 75% of all refrigeration and air conditioning apprentices in B.C. attend JARTS. The school has been training refrigeration apprentices since the early 1990s.

Students who made tuition payments will be reimbursed and should contact the training school directly.

The ITA is working with training providers to help students find alternative training options.

The ITA has received a formal designation application from the Refrigeration Training Institute (UA516) to offer training. Pending approval, the Institute would start delivering all 4 levels beginning March 2019.

Good morning and happy new year.

Ministry has confirmed with the procurement folks at CITZ that the vendors' notice for mental health support services will go live in the next couple of hours.
