Source: BC Public Post-secondary Institutions, Fall 2018 tuition data submission

Notes:

¹ All BC public institutions are within the 2 percent annual limit for increases to tuition and mandatory fees payable to the institution, in accordance with the Tuition Limit Policy. Fees payable to the Student Society are not subject to the policy.

² Mandatory Fees may include: registration fees, mandatory technology fees, laboratory fees, library fees, learning resource fees, ancillary fees, building (except student union building) fees, student activity/athletic and recreation fees, material fees.

³ The Student Society has been designated by regulation and the amount of the student society fees has been approved by a majority of the members of the student society. Any rate changes must be approved (student society) by referendum.

⁴ Includes Canadian Federation of Students Membership and Fees, or BC Federation of Students Fees.

⁵ U-Pass fees vary by institution but are generally the same amount in the same region. At most institutions it is a fixed monthly fee (based on 8 months) or a per semester fee (based on 2 semesters). Royal Roads University is an exception, U-Pass fees are based on 12 months. U-Pass is not a mandatory fee at campuses that do not have a U-Pass program established (e.g. UBC Okanagan and NVIT Merritt).

⁶ Miscellaneous Fees include fees for student union buildings, student radio stations, daycares, etc.

⁷ Student Association Fees and Health Fees listed at Okanagan College are from Kelowna, Penticton and Salmon Arm campuses.

⁸ Tuition at the Justice Institute of British Columbia is based on Bachelor of Emergency and Security Management Studies.

⁹ Students at Capilano University attending classes in Sechelt, Squamish, or off-campus are not required to pay the Students' Union Fee, the Capilano Courier Fee, or the Building Levy.

¹⁰ Tuition at Royal Roads University is based on B.Sc. in Environmental Science.
