Hon. Linda Reid

Minister of Advanced Education,

On the occasion of your assumption as Minister of Advanced Education, I wish to extend, on behalf of the Chinese Consulate General in Vancouver, and myself, our warm congratulations.

British Columbia has been a pioneer in developing relationship with China among provinces and territories of Canada. Recent years have seen the bilateral trade and investment expand, cooperation in innovation, technology and environmental protection strengthen, and the culture, education and tourism interaction grow steadily. BC government signed joint scholarship programs worth 1.4 million Canadian dollars with Chinese higher learning institutions in 2015. China's Guangdong

government agreed to provide 6 million RMB scholarship for 100 BC students to study in universities in Guangdong in 3 years in 2016.

With the working dialogue mechanism established in 2014 between the Chinese Consulate and the Provincial Government of B.C., I look forward to continuing working closely with you to further promote the bilateral exchanges and cooperation.
