ALC Commissioners:

I am pleased to forward this message from the Honourable Norm Letnick, Minister of Agriculture.

Derek Sturko
Deputy Minister
BC Ministry of Agriculture
(250) 356-1800

As Minister of Agriculture I am writing to you today in regard to yesterday's announcement concerning a change in the leadership of the Agricultural Land Commission. I would like to thank the panelists and vice chairs for their service to agriculture and British Columbia. I would also like to take this opportunity to thank Richard Bullock for his five years of service.

I know from personal experience that changes such as this can be difficult. But I also know from experience that sometimes leadership means looking forward to identify challenges along the horizon and help ones team avoid the pitfalls that await. It is for that and other reasons that yesterday I announced Frank Leonard was selected to replace Richard Bullock immediately. He will hold combined duties as Board Chair and CEO for a period of five months while he leads the search for a new CEO of the Commission.

Frank has a long history of service in British Columbia he brings a fresh perspective, new ideas and extensive experience in both business and in government. Mr. Leonard's extensive skill set, especially in local government and in business, will be an ideal complement to the regional panels. It is my sincere wish that you continue the good work of the commission and welcome Frank to his new role.

Our government is starting the implementation of a new policy framework for the ALC. Bill 24, our new legislation to modernize the operations of the ALC, help farmers grow their businesses and support food production for future generations is taking effect. The Throne Speech highlighted that soon there will be a new Agrifood and Seafood Action Plan, and Bill 24 regulations are being finalized and will be announced shortly.

This is the right time for new leadership of the Agricultural Land Commission. Thank you again for your continued service to farming and farm families in British Columbia.

Norm Letnick
Minister of Agriculture
