Dear Honourable Minister Popham,

On behalf of the members of Wild Salmon Forever (WSF), I am very thankful for you taking the time to join us at our Caucus Breakfast reception that WSF hosted on October 23, 2017 in Victoria.

We all want to see the finfish aquaculture industry grow and contribute to our economy without harming our priceless wild salmon economy and are gratified to know that land-based closed-containment systems now present a viable and sustainable alternative. We are appreciative of you and your government for your commitment to protect British Columbia's wild salmon.

If you would like more information or have any additional questions we would be happy to meet with you. Please contact Emilie Piry at emilie@goodhopecannery.com or by phone at 778-862-3985 to arrange a time that would best suit your schedule.

Sincerely,

Tony Allard
Chairman, Wild Salmon Forever
