Hi Justine,

Henry sent his email to me first week of January and I've only just reviewed it yesterday. It's in the pile to review with MLP for consideration when she is back.

Can you email him, let him know it has been received and is in a queue for review, please? s.22

Thanks,

Jessica

Hey,

We can get a tripod for the iPhone, it will make recording the greeting easier, and setting up the phone better. We started doing video greetings and messages ourselves on the iPhone because it really helps with the workload of our digital service team.

If you need any help sending the file next time I am more than happy to help out!

Hi Jillian,

MLP would like to record herself doing the greeting again. Is GCPE able to provide a filming device for this? Last time MLP recorded herself using an iphone and it was very difficult to transfer the file and send it. A device that records a more standard and universal format than an iphone video.

Please let me know what our options are for this.

I have checked with Harbour air and Helijet and both have suspended sales for now due to changing and unpredictable weather conditions, so if you left the Croatian Cultural Centre at 11:30AM and drove (26min) and arrive at about 12:15pm to drop off the Budget Rent-A-Car at 5140 Grant McConachie Way in Richmond, and take a ~30min cab ride to the ferry (arrive at 1pm or so depending on traffic) to make it for the 3PM ferry. You and MLP would purchase your walk-on tickets upon arrival as you cannot purchase walk on tickets online. Then you could cab from the ferry to the airport to pick up your cars.

**Option 2:** Bring Rental Car to Victoria Airport to pick up cars at YYJ

Drive the Rental car on the ferry and drop off at Budget kiosk in YYJ airport. This would involve the cost of a ferry reservation and cost of vehicle on ferry plus the drop fee at a different Budget kiosk than you picked it up from. \*\*\*\*3PM is currently on standby (no reservations available currently for 3PM and 5PM, there is for 6PM).

**Recommendation: Option 1**

Hello Lisa,

Please find attached a letter from Marine Harvest Canada requesting a meeting with the Premier and their CEO, Alf-Helge Aarskog while he is visiting Canada.

We have confirmed our meeting with Mr. Aarskog and would now like to request a BN from AGRI regarding this company and their current work with First Nations and their initiatives in the Broughton Archipelago.

For your information, Kate Van Meer-Mass has already requested this BN from Will Beale but I wanted to provide you with the request as well so everyone is in the loop.

Please provide our office with this BN by March 5.

Thank you for your kind assistance with this request.

Cheers,

Hi Justine,

I'm getting the final IN's reviewed by the Ministry, and hope to have them soon, but in the meantime, here's the ToC for the ministries IN's, if you want to start drafting that part and building out the binders to the MO's specs.

Alex will likely have a list of the QP Prep notes he's developing coming your way as well, so you can determine with Jess and Will how best to combine into the overall binder ToC.

Ministry Issues Notes:

s.16,s.17

s.16,s.17

FYI This ToC will change as we add new IN's and make further updates.

Ms Wendland,  
Administrative Assistant to Minister Popham

Prior to the Christmas break I wrote requesting a meeting with Minister Popham.  
I explained that I have an acquaintance who is a journalist wishing to assist the Minister and her staff who may be attending to the response to the Aquaculture Industry .

Dennis Reid has researched the Aquaculture Industry on a global basis and believes he can be of assistance in providing information on industry employment, economic contribution, environmental impacts, etc all from a global perspective.

As a constituent, I would respectfully request a meeting and that you fulfill your earlier commitment to follow up this matter.

Sincerely,

Hi Tamarra,

Thank you for the opportunity to provide feedback. I think 45 min would be a good time frame for meetings and the 15 minutes for questions is good. There are often questions and they can vary in length. It is a good opportunity to have monthly meetings as 'check-ins' and the opportunity to ask questions.

Thanks for leading these meetings!

Cheers,  
Justine

Hi Justine,

For sure. I'll make sure to include an agenda for the next one. This time around was just finances and I wasn't sure which order Cindy wanted to discuss them.

I think reducing the meeting length is a great idea. What do you think about 45 mins? Still might be too long but I was thinking 30 mins max for agenda items and 15 mins for questions. I can always adjust the time too depending on what topics people want to talk about.

Thanks for your feedback!

Hi Tamarra,

If it is possible to have an agenda like you suggested I think it is a good idea. What are your thoughts on reducing the meeting time length? I noticed that the meeting ended early and with the opportunity for people to ask questions. I am interested on what you think about this.

Hi Lisa.

We need to set up a AEST/AGRI Minister's briefing with respect to the commitment in Ministry of Agriculture's mandate letter to "work with growers, processors, colleges and universities, as well as the Minister of Advanced Education and the Minister of State for Trade, to develop a B.C. Food Innovation Centre to innovate in the processing, packaging and marketing of B.C. food products, linking local food producers with new technology, and expanding exports and access to world markets." - we understand Ag is going to SSP for info on February 26<sup>th</sup> and there is some discussion of a joint briefing for the DMs as well as the Ministers.

DM Pre-brief is scheduled for February 19<sup>th</sup>. Are you able to work with Minister Mark's office to set this up and we will provide staff and materials?

Good Afternoon,

First to introduce myself, My name is Alan Mullen and I am working as Special Projects Advisor to the Speaker, the Hon. Dr. Plecas. In my role as special Projects advisor, I routinely meet with Ministers and their staff to discuss various projects and issues that arise both in the speakers riding and also in the province in general. Items that, while important, would be inappropriate to be discussed by the "non-partisan" Speaker.

I am hoping to meet with you to discuss a meeting I had with a representatives from the BC Raspberry Growers Association, BC Blueberry Council and the BC Strawberry Growers Association. I have some information to share with you (and your Ministry) and would love to further discuss. I have an office in the speaker's office and will be back in Victoria next week and will make myself available when it suits your schedule.

Thanks

Hi Justine,

The Core Policy & Procedures Manual has been updated regarding the “Monthly Limits” on BMO purchase cards. Monthly Limits above \$10,000.00 require an additional approval. You currently have a monthly limit of \$20,000.00 on your card.

Please discuss with your Expense Authority (EA) and reply to me by **Friday, Feb 2nd** to advise if you require this higher limit you currently have or if it should be reduced. Also, cc: your EA when replying.

You can log into BMO Details online, click on the Statement tab to view all of your previous statements. This will give you an idea of how much you normally spend each month.

*Also, please keep in mind that you use this card to purchase all of the airfare for your office including international travel.*

If you do require a monthly limit above \$10,000, I will follow-up with Procurement Svs Branch for this additional approval, nothing further is required from your area.

I’ve included the link to the section in the Manual if you or your EA would like to review.

Lisa is in the process of requesting speaking notes for MLP for the Poultry conference. She will send along the invite when she requests speaking notes.

Does this make more sense? If not please let me know.

The BC Egg AGM, has MLP been asked to provide greetings in person (it looks like that way below)? So, speaking notes or is it video greetings?

Thanks!

Good afternoon, Premier Horgan,

As I have not had an opportunity to meet you before, I was thrilled to make your acquaintance at the nomination meeting for s.22. I appreciated the opportunity to speak with you about our *Grow Great Kids* in Healthy Schools Initiative. I am following up on your suggestion to connect with Evan Brown to be referred to the Minister of Agriculture, Lana Popham and the Minister of Education, Rob Fleming.

At the end of our conversation, I handed an envelope of information, including an example letter that we have sent to schools, a Tower Garden brochure and my business card, to Geoff Meggs. Have you had the opportunity to peruse this information?

Our team has already done a great deal of work this year connecting with BC Schools about Tower Gardens. There is significant interest from both principals and teachers who feel that access to funding would allow education leaders to obtain this technology for their schools and classrooms. We would like to meet with the Ministers as soon as possible to further discuss this project.

Hi Christine,

Not an issue at all. That other incoming sat with the MO until today. We can't really change the due date on the file officially, but I will note in CLIFF log and eApps item that it isn't due to move forward until Feb 13. Yes, as it was sent to the regions first, we gave them a date for it to come to your shop for Tessa's approval. Same applies here – due to Tessa for Feb 13 if possible.

Ashley – I am looping you in on this file. We've been a bit late in getting this one to the right area for response (Christine just got it Friday and a new incoming was just added today), so it'll be a bit late getting up to David for approval.

Thanks much for checking in Christine!

Greg

I see a new incoming added to eApprovals #8980.

The author raises many more issues to respond to (it's a long email!). Given that this was just added today, could we please have an extension of at least a week? I will need to check with others in ROB etc about the response.

Also, in your comment – "Draft is due back to EPD-ROB for approval by Feb 6, 2018" Do you mean due to Tessa?

Thanks,  
Christine

Good morning,

The BC Cranberry Marketing Commission would like to invite Ms. Popham to be our guest speaker at the 2018 Annual General Meetings on March 7, 2018 at MayFair Lakes in Richmond, BC. It would be approximately 11am and we would be able to accommodate whatever time length, but would be encouraged to see around 15-20 minutes.

Attendees for this day include growers, directors, and some associated industry partners. Lunch is provided at 12 noon, and will be our Chair's last day in his role so we expect a good turnout of well-wishers for him as well.

Please let me know if this is something Ms. Popham is interested/available to attend. If you have any questions on the day's events, don't hesitate to give me a call or send an email.

Thanks, and have a good day.
