Hi,

Georgina can you touch base with me on how this timing works with the Ministry process? Lisa – has this request moved forward yet? MLP has no concerns with it – in fact she referenced that it is happening today in QP. The timing can likely be adjusted as necessary to work with the Ministry process.

Thanks, S.

Hi Donna and Lisa,

I'm away the first week of June – would it be at all possible to have this meeting the last week of May? Alternatively, the week of June 11th?

Thanks,
Sarah
