Morning! The link doesn't seem to work well on a post. ^{s.22}

^{s.22} . And then it seems to have difficulties with the link.
Hope we can get it fixed ASAP as time is slipping away and we have lost another weekend for engagement on social media.

Dear Mr. Shoemaker,

We wanted to notify you of a White Paper, released today by the Institute for Sustainable Food Systems, entitled *Protection Is Not Enough: Policy Precedents to Increase the Agricultural Use of British Columbia's Farmland*. The paper explores key drivers behind the underutilization of BC's agricultural land and provides policy precedents from Canada and abroad to illustrate how agricultural use of farmland is being promoted in other jurisdictions. We have attached the following materials, which are also available for download on the Institute for Sustainable Food Systems website:

<https://www.kpu.ca/isfs/agricultural-land-use-in-the-alr>.

1. The full White Paper.
2. The White Paper Brief, summarizes the Full White Paper.
3. Appendix with additional policies for reference.

We hope that you find the material helpful in supporting the valuable work that you do.

Please contact the corresponding author, Kent Mullinix, if you have any questions.

Yours sincerely,

Kristi Tatebe, Kent Mullinix, and Naomi Robert
