Hmm. Unfortunately the District of Tofino has a community Town Hall meeting (debrief on the January tsunami warning and emergency preparedness) on Sunday from 10:30 to probably 2:30 or so, and a Council meeting on Tuesday (we do daytime meetings). Tuesday would probably be an ideal time to meet with s.16, s.22 and Sunday or Monday afternoon we can do a few things - the restaurant visits, and I'd love to take her to s.22 s.22 and introduce her to a local shellfish farmer. We could split those out over Sunday and Monday.

Does that sounds like a good approach?

Hi Jess,

As requested yesterday, here's the updated event plan with the confirmed timing for Tuesday's event, as well as draft Speaking Notes for MLP. It's going to be a more casual event, no podium but stand mics, so we've kept the notes short, since the minister won't have somewhere to lay them.

We're sending along the 6 ft Buy BC banner to Marlene the event planner today, but I don't think we can get the framed proclamation to her today, since I still need to get it back from the framer.

Will you be back to the office at the end of the Metchosin tour today? If so, I'll make sure to have it there so you can pick it up. It will need to be taken as carry-on, to ensure the frame doesn't break.

**Subject:** CUPE BC Convention

Hi Amber and Teresa (Roseanne and Layne):

I am attaching an Agenda in Brief that indicate the highlights of the CUPE BC Convention and if you would be so kind and send to the Ministers and MLAs.

As to the private lunch with Premier Horgan and our Executive Board, special guests and those Ministers and MLAs in attendance, this will take place on Friday, April 20<sup>th</sup> at noon in International Suite on the 5<sup>th</sup> floor. The following Ministers and MLAs have confirmed their attendance at the luncheon and for the Premier's speech as of today's date:

Lana Popham  
Rob Fleming  
Harry Bains

Bruce Ralston  
George Chow  
Rick Glumac  
Bowinn Ma  
Mitzi Dean  
Nicholas Simons  
Ronna- Rae Leonard

If Ministers are bringing any staff, they must let us know so that a guest credential can be made up for them or they will not be able to be seated in the guest section and it would be helpful for them to let us know asap. If Ministers are bringing staff, due to the limited seating we have for the private luncheon, we are sorry but we will not be able to accommodate them at the lunch.

When Ministers and MLAs arrive, they can go to the Registration desk and pick up their credential. When the Premier speaks at 1:30 pm after the lunch, the Ministers and MLAs in attendance will be introduced. At this point, they will be introduced from the guest section and not be brought up on the stage.

Thank you so much for your assistance in getting this information and the invitations to the Ministers and MLAs. Please do not hesitate to contact me at anytime on my cell if you have any questions or concerns.

Kind regards,  
Sharon

Per the email chain below, MLA Tom Shypitka and the KLA have asked me to reach out to help reschedule a meeting with Minister Popham at the Minister's earliest convenience. I am happy to help coordinate.

Kind regards,

Could you confirm this for sure? I was sent a note moments ago from the Kootenay East constituency office that indicates the KLA are unaware of an attempted rescheduling of the meeting.

Thanks

Hi Sandra,  
We have heard from industry stakeholders that Minister Popham may be in Williams lake in April to meet with them. Would you know if we could find out a date for that meeting and/or tour?

Thanks for the help

Talk to you next week. Have a nice weekend off.

Hi guys,

I notice the Minister's calendar looks empty on the 13<sup>th</sup> of April. Is that legit, or does she have it off for something in particular? I'm hoping to get a tentative hold for a Cowichan Valley winery tour/video & photo-op for one of our Wine Month videos. We would likely need one half of the day, either morning or afternoon. Happy to work with her preferred winery too.

Let me know if this is even feasible,  
Thanks,  
Meghan
