Hi Lisa;

Happy Easter!

I'm following up on the research project that Lana was recommending we submit a request for. I've had a meeting with a micro-biologist over at Langara College who does this sort of stuff, and he thinks there is merit to tackle this.

My question to you; is there a formal procedure for requesting research funding? How does that sort of thing work? I presume I don't swing by the office and you throw me a big bag of money from your balcony anymore...?

Any help you can send me way so we can submit a proposal on behalf of our association would be fabulous.

Thanks Lisa!

Hi Lisa and Sam,

The AGRI MO budget is \$638k in 18/19. You can find it on page 38 of the [Estimates](#). The breakdown by expenditure category or stob can be found on pages 24 and 25 of the [Supplement to the Estimates](#).

Please let me know if this is sufficient info for Sam at this point. Wanda and I will arrange to have regular meetings with Sam later in the fiscal year to review expenses to date and forecasted spending. Before then, we'd be happy to meet to review the budget and answer any financial questions Sam may have.

I believe that there may be a meeting coming up between Minister Heyman and MLP. It would be good to brief before this if possible. My understanding was that MOE was setting it up – we have not been given a date.

Hi Joan,

Apologies for that. I had just asked Mark for a quick point of clarification as I believe a conversation Jessica had with her counterpart at ENV MO confused her understanding of the status and work underway. I also asked Mark whether there was timing I should be aware of for next steps and whether there was any briefing materials under development.

Given his response, this is absolutely not a rush and a MO staff briefing can take place at some point in late-April to early-May.

Thanks!
Georgina

Hi Georgina,

Aside from the information put forward in the DM Meeting BN from last week, we don't have any more current information. Wes, Arif and Joan would have the most current information on timing.

FYI: For the current context - AWCR (Ag waste Control Regulation) and the topic of Nutrient Management go pretty much hand in hand.

Happy to do a MO office briefing at anytime on AWCR or Nutrient Management. s.22
s.22 but Dave Poon and Jeff Nimmo could cover in my absence if needed and can answer any questions you may have about either topic.

My team is providing a detailed brief on Nutrient Management to ENV and a stakeholder (POLIS) in person the afternoon of the April 18th in Victoria. Late morning would be an opportune time to provide a MO briefing. I will also be over the following week for the Leadership Meeting and could find some time (or over the telephone would work).

Here is a bullet on timelines from the BN. I have also attached the info from last week's DM meeting

s.12,s.13

Let me know if there is any additional information we can provide.

I'm following up with you on your meeting request from March 5th to present COABC's 5 year strategic plan on March 22nd.

Minister Popham is unable to attend that day, however I'm able to have our Senior Ministerial Assistant William Beale attend with relevant Ministry staff.

If you would like to proceed with this, please let me know and our Administrative Coordinator can work with you to find a time that works.

Thanks,

Hello,

I double checked with Layne yesterday about when the OIC's were/will be signed so that billing transfer will coincide on the right day. Will's OIC was signed April 3rd, so his billing was TRANS responsibility as of the 3rd. Our MA Alisma's OIC will be signed on the 9th and we have to call Telus on the 9th to transfer her billing then (I spoke to Telus), but Will's address needs to be updated and back-dated to the 3rd.

Hi Layne,

I was wondering if you could tell me if the following MA OIC signing dates are correct that affect the Tran office. It is my understanding that the MA's are not "employed" by their new Ministry's until their OIC goes through and I want to make sure their accounts (telus, IDIR, etc) transfer(ed) over on their official start date:

Derrick Harder – OIC signing April 3
Alisma Perry - OIC signing April 9
William Beale - OIC signing April 3
James Papadopoulos - OIC signing April 3

Thank you for your help.

VICTORIA

Tuesday April 17 or Tuesday April 24

6:30 - 8:30 pm

Concern is regarding timing - we need it to be Tuesday so that it won't conflict with busy restaurant hours. The evening timing will require that a lot of food is served because this is prime dinner time. People will expect a meal.

VANCOUVER

Friday April 20

2:00 - 4:00 pm

Afternoon timing is necessary in order to catch a business clientele before they leave downtown after work. We have too big of a commuting population to have it in the evening - plus it will be very difficult to get a dinner venue to give up space during peak hours.

Jess/Will looking for some direction on the restaurant portion of this. Lisa and I have tentatively worked out the scheduling details.

We're proposing Tuesday, April 17 for Victoria evening event (Lisa is requesting leave from Caucus)

Also, Friday, April 20 has an afternoon hold in Minister's calendar.

Hi all,

We need some MO direction on the options below. First, will these dates/times work with Minister's calendar. Second, is there a preferred location out of all of these? My thoughts are Laurel Point Inn for Victoria because ease of use, won't conflict with busy restaurant hours, and the OceanWise at Aquarium in Vancouver, but I look to you for further direction.

Need something back today if possible. Lisa, do these times/dates look feasible in MLP's calendar?

Here's what we are thinking - let me know what you think...

Please see the following note from Lindsay, Sam's OIC went through April 3 as well so you will need to let Telus know the start date for the new account is April 3.

Hello,

I double checked with Layne yesterday about when the OIC's were/will be signed so that billing transfer will coincide on the right day. Will's OIC was signed April 3rd, so his billing was TRANS responsibility as of the 3rd. Our MA Alisma's OIC will be signed on the 9th and we have to call Telus on the 9th to transfer her billing then (I spoke to Telus), but Will's address needs to be updated and back-dated to the 3rd.

Best Regards,
Lindsey

Dear Lisa,

I had the pleasure of meeting you this past November when I met with Minister Popham in her Legislature office. I want to thank you for your support and assistance in facilitating this meeting.

Lisa, as the President of the Wild Sheep Society of BC, I would like to formally request to meet Minister Popham regarding a Provincial Disease Control Framework for British Columbia. In our meeting in November Minister Popham extended her support for getting all affected parties together to discuss disease issues relating to domestic and wild sheep in BC.

If you could assist me in facilitating a meeting with Minister Popham it would be greatly appreciated. Just yesterday an announcement was made regarding wild sheep disease communication in Alaska, a first of its kind. We are incredibly fearful of a mass die off of wild sheep in the province and the Ministry of Ag can be pivotal in ensuring this is avoided.

Sincerely,

Hi Jen,

I'm following up with you on your meeting request from March 5th to present COABC's 5 year strategic plan on March 22nd.

Minister Popham is unable to attend that day, however I'm able to have our Senior Ministerial Assistant William Beale attend with relevant Ministry staff.

If you would like to proceed with this, please let me know and our Administrative Coordinator can work with you to find a time that works.

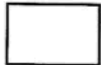

Thanks,

Apologies for that. I had just asked Mark for a quick point of clarification as I believe a conversation Jessica had with her counterpart at ENV MO confused her understanding of the status and work underway. I also asked Mark whether there was timing I should be aware of for next steps and whether there was any briefing materials under development.

Given his response, this is absolutely not a rush and a MO staff briefing can take place at some point in late-April to early-May.

Thanks!

Hi Georgina,

Aside from the information put forward in the DM Meeting BN from last week, we don't having any more current information. Wes, Arif and Joan would have the most current information on timing.

FYI: For the current context - AWCR (Ag waste Control Regulation) and the topic of Nutrient Management go pretty much hand in hand.

Happy to do a MO office briefing at anytime on AWCR or Nutrient Management. I am out of the office until the week of the 15th but Dave Poon and Jeff Nimmo could cover in my absence if needed and can answer any questions you may about either topic.

My team is providing a detailed brief on Nutrient Management to ENV and a stakeholder (POLIS) in person the afternoon of the April 18th in Victoria. Late morning would be an opportune time to provide a MO briefing. I will also be over the following week for the Leadership Meeting and could find some time (or over the telephone would work).

Here is a bullet on timelines from the BN. I have also attached the info from last weeks DM meeting

s.12,s.13

Let me know if there is any additional information we can provide.

We had the 20th in Wes's calendar as a hold the entire time

Erin just confirmed with Wes this morning that he's attending I just didn't add his name to the calendar yet I will do that on Monday 😊

Do you want to have access to view Wes's calendar? Aaron is going to give Sam access

It's not showing in MIN Cal that Wes is touring with MLP and myself in Vancouver on the 20th, so that is news to us.

Would prefer that we know in advance whenever possible.

Subject: RE: April 20th - MGH MAACFA Briefing

I can delegate the CCFAM call and take the Minister briefing.

I'd rather do it in person if that's an option. Also, better double check that Wes is ok with not being there.

Hi James.

Minister Heyman has limited availability for this briefing but has time the morning of April 20th. I see you are on a CCFAM Call but Lisa is asking if you would be able to step out of that call for 30 minutes to brief MGH? If not, is there someone who could brief him on your behalf? Minister and Wes will be touring in Vancouver on that date so will not be in attendance.

Thanks,

Erin Hansen

We had the 20th in Wes's calendar as a hold the entire time
Erin just confirmed with Wes this morning that he's attending I just hadn't had time to add his name to the calendar yet
I will do that on Monday ☺
Do you want to have access to view Wes's calendar? Aaron is going to give Sam access

I've connected with MGH's MA and a small window just opened in his cal, if in-person is of importance

April 18th 3:45pm-4:15pm.

Otherwise, the 20th MGH is in Vancouver so would have to be by phone.

It's not showing in MIN Cal that Wes is touring with MLP and myself in Vancouver on the 20th, so that is news to us.

Would prefer that we know in advance whenever possible.

Thanks,

Jessica
