Hi Dorothy,

I'm writing on behalf of BC's Minister of Agriculture Lana Popham. We will be in St. John's next week for CCFAM and Minister Popham would like the opportunity to meet with Minister Byrne, perhaps for lunch on Monday July 9th or 10th.

If there are any other times that might work, her schedule is fairly flexible on Monday July 9th.

Thank you,

Tomorrow at 1:30pm MOE will be announcing the results of the audit they did on fish processing plants (there was media coverage of a diver's filming of one pipe's release a few months ago). No materials received yet, but will pass them along as a heads up when they arrive.

Jessica,

In the program development, BeeBC was set up so that Investment Agriculture Foundation makes funding decisions based on government criteria as well as technical advice where needed from ministry staff.

This process is underway now, and I wanted to give you an advance look at the types of proposals that have been brought forward and the initial assessment by IAF (see attached).

Also note that the program funding runs as first-come-first-serve but is also an open application. There is a small amount of funding left in this year's allocation that could still be spent on new proposals or rejected proposals that are improved and resubmitted. Plus there is a second year of funding that can be managed as well.

Let me know if you want to discuss. Once the application review is finalized, we'll get IAF in touch with comms for announcement opportunities.

Minister met Mr. Hart at BCFPA dinner and he kindly forwarded the attached report on Ontario's hazelnut sector. She was very keen to know if there's any applicable info in the report for BC.

I haven't had a chance to read it yet. Can you have staff (Karina likely) peruse it and if there's anything valuable perhaps a meeting with the authors would be in order.

Hello Jessica.

At the BCFPA dinner, the Minister asked if I could send her a copy of the report our firm prepared on the Ontario hazelnut industry for Ontario Ministry of Agriculture, Food and Rural Affairs.

OMAFRA has given me permission to provide this report to the Minister which I have attached to this e-mail.

As this is a priority sector for your Ministry, I would welcome the opportunity to discuss how we could assist your Ministry to help further the success of BC hazelnut growers.

Jessica. Could you please confirm your receipt of this?

I've sent the supporting documents for the Conference on to both ADM's James Mack and Arif Lalani. s.22
s.22, but I have flagged this for him today and he will be reviewing the proposal with staff in his branch. He understands the time constraints you're under as well and will endeavour to expedite the review for consideration.

On a programming note, Minister Popham will be in Victoria on November 7th as the Fall legislative session will be in full swing. She's unable unfortunately to get leave from Cabinet duties mid-week.

Thanks so much Sandra,

Appreciating it's not an ideal time for staff, with MLP hosting FPT conference this week in Vancouver, the best time would be Friday at 4:30pm. If this time is viable please let me know ASAP and please add me to participant list.

Thanks,

Minister's car is parked at the Legislature, so I think she can pick up the PNWER binder there. Meghan also mentioned that they may be able to repurpose the FPT binders on Friday and fill with PNWER materials.

I will not be returning to Victoria so I'll need to grab my PNWER binder before everyone flies out Friday.

Thanks!

She will be traveling directly from UBCM in Whistler and we are still finalizing that schedule but I wanted to get the ball rolling early on setting up potentially interested tour sites. You also mentioned a beach clean up which the Minister could also participate in.

I know she's excited to get out on the water and see the farms, and meet the farmers.

Jessica,

Thanks so much for calling this morning. I am so pleased that Minister Popham will be able to give a welcome address at the *Place- Based Food Systems: Making the case, making it happen* conference. The conference is really shaping up and promises to be super. Detailed conference information is on our website- <http://www.kpu.ca/pbfs2018> .

At this point we are expecting about 200 persons to attend (from across Canada, the US and some from Europe). There are 9 plenary speakers, 57 oral presentations and 20 poster presentations.

So a few details for Minister Popham.

The conference is at the Pacific Gateway Hotel in Richmond (Russell Baker Drive, very near the airport). Naomi (copied)can send a map.

Minister Popham will speak at the opening of the conference, Aug 9. The conference starts at 8:30 am. So we will need her to arrive no later than 8:15. I expect her to speak at about 9:00 am or soon after. We will schedule Minister Popham for 10 minutes. If she prefers more or less time at the podium please let me know.

I will get things rolling by introducing Leyketen, Kwantlen Nation Elder and KPU Elder in Residence to welcome the conferees to the Coast Salish Nations traditional lands and offer a blessing (10 minutes). I will then introduce Salvador Ferreras, KPU Provost and Vice President who will convey a welcome on behalf of the university (5 minutes). Then I will

introduce Minister Popham for her address which we have allocated about 10 minutes for. After Minister Popham's address we will be in full swing and move onto plenary speakers.

s.13

Do you'll have an introduction narrative that you prefer/ share? If so please send it to me. That would be helpful. I want to do a good job introducing Minister Popham.

Hope this is helpful. If I can provide any additional information please don't hesitate to let me know. Again, I'm so very pleased that Minister Popham will welcome the conferees. It means a lot to us.

Kind regards,

Kent

Hope you are both enjoying the summer! Just wanted to check in with you and see if there is interest in having Minister Popham on the show on Friday morning.

Here are some topic ideas:

The minister will be in the south Okanagan on Friday visiting orchards and farms. Opportunity to talk about the growing season/upcoming harvest etc.

The minister is attending PNWER this week, not sure if there is a fit for you there?

Also, on Friday, there will be a wine related announcement going out that I think will be of interest to you. I can get you an embargoed copy on Thursday.

Those are a couple of ideas. Please let me know if you have any interest.

Subject: MEDIA REQUEST: Interview with CHNL-Canada Food Day-Thursdays, August 2 AM

Hi there,

Long-form radio interview for the Minister to consider that she could use to talk not only about Buy BC, but her other mandate items, as well as the recent FPT meetings (ie: Canada as one brand, increased demand for domestic market, etc.)

If she's interested in doing the interview, we could develop a comprehensive Q&A for it. Let me know, thanks!

I'm wondering if you can help me to arrange to have Min. Popham on the Jim Harrison

Show for August 2nd to talk about Canada Food Day. The show has four 10-minute segments (well, one runs closer to 12 because of how the ad breaks time) at 9:08, 9:20, 9:35 and 9:50 a.m. If any of those times work for a phone call please let me know and we can arrange the details.

Hi Jessica,

Here is the list of farms we will be visiting, please feel free to call if you have any questions.

FRIDAY

Brar Orchards
Owner Nash Brar

Farming has been in Nash Brar's family for generations going back to Punjab, India. Brar immigrated to Canada in 1984 looking to pursue greater opportunity. For a decade he and his family farmed Raspberries in the Fraser Valley region of Abbotsford, BC. The family moved to the Okanagan Valley in 1996 when they acquired a mixed tree fruit farm in Osoyoos, BC. Today, the family markets its

produce through both retail (fruit stands) and wholesale chains. Having the luxury of farming in a warm community like Osoyoos has allowed the family to grow a vast diversity of Fruit crops including Apples, Peaches, Cherries, Apricots, Plums & Vegetables including Tomatoes, Peppers and Cucumbers.

s.22

Orchard Hill Estate Cidery

Owner Ravi and Jasmeen Dhaliwal

Orchard Hill is a family run business, located between Oliver and Osoyoos on the Golden Mile bench. Farm has been in the family since 1995, they moved to the valley from Sparwood BC to live their dream. During this time, the farm was producing Red Blush and Red Stripe Apples. Between 1999-2000, the orchard was revamped and high density apple trees were planted - allowing the Dhaliwal's to grow high quality fruit. Their future goals are to experiment with new varieties and other tree fruits.

SATURDAY

S&G Farms

Owner Inderjit Sandhu. s.22

Farming has been in Mr. Sandhu's family for generations going back to Punjab, India. Family moved to Oliver from in India in 1993 and they started farming in 1997 currently running 50 plus acres of field and green house vegetable operation. They market all over western Canada with Loblaw's. Overall very happy and have plans to expand the green houses.

Lual Orchards

Owner Tony DeMelo

One of the oldest family run farm in Osoyoos. Tony's father Lual Demelo immigrated from Portugal to Canada in 1957 and purchased first farm in Osoyoos in 1964. They have been farming over 50 years in the Valley. Tony does direct marketing to US and overseas. They also custom pack for numerous growers in the valley.

MLP will be in transit traveling separately up with the CRT tour to Castlegar and could be in and out of cell service - but with that caveat she's willing to be on the 11:30am call-provided there's reception.

Hello Meghan

We are trying to arrange a media call from a minister at PNWER back to B.C. media for an update on the summit. We had tried to get Minister Conroy, but she is tied up providing a tour of dams and S.16 s.16 . Is there any chance Minister Popham could do the call. We have a window at 11:30 tomorrow morning if that could work.

Let's do 10h30 PST then. Minister Wilkinson has been asking to call himself as he's doing a few calls back to back. It makes the logistics easier for him. Therefore if you could give me a number where Minister Popham could be reached at that time it would be greatly appreciated.
