Hi Lisa,

Can you please put a hold in MinCal Jan 16 from 9:30-11am. I am working on getting a meeting together as per MLP request.

Also my calendar is showing two meetings with Case Guliker of Shadow Produce - one on 16th and 17th. Which one is correct?

Thanks

Hi:
Minister Popham knows many of the IAF Board Directors and I suspect it will be quite informal. I know the board will like to hear from the Minister what her vision and priorities are for the sector and the board will share with the Minister IAF's current programs, an update on IAF's strategic planning and what IAF has heard to be sector challenges and opportunities during our recent member and stakeholder outreach.
Thank you. Hope this helps.

The time slot allocated for this talk is 45 minutes – this is flexible and we will work with what the Minister is comfortable with. The location is the Sheraton Vancouver Airport Hotel, 7551 Westminster Highway, Richmond, BC V6X 1A3. The plenary will be held in the Britannia A&B room.

Lisa, I look forward to working with you on this further.

Sam had suggested Feb. 15th but as you can see from the dates below that is probably not going to work either.

I can't make a 12:30 appt on the 6th unfortunately-

Can you perhaps work with her legislative assistant and see if she can find any time on the dates below at her Ministry office?

Feb 12, 13, 19, 20 - as I'll be in the island for all of these dates

If none of those work - I could maybe switch a few things around on the 6th - but I have to be back in vancouver for a lunch meeting with our board that can't be changed. So, if she could do 8:30/9 on the 6th, I can catch a flight home for the lunch?

Hi Shiera,

I tried, but the answer has come back as she is not taking any other meetings on that Feb. 5th.

Would you like me to keep the appointment for Feb.6th?

Thanks very much,

Hi Maureen -
I've already booked my flights and hotel for the 4th and 5th... does she have any time on the 5th?
Otherwise, I'll have to rebook everything to make the 6th work

Please advise -
Thank you!
