Good afternoon:

Please see attached letter, which is not to be circulated further at this time. The DM has asked that we get together as soon as possible to identify options for in-year savings opportunities and in develop the ministry's savings plan. The MO has directed that our plan needs to be in place by September 27th in order to meet the deadline identified in the letter of October 4th.

Dawnae is working to organize a meeting.

Thank you.
