Hi,

Sarina, can we please look to schedule this?

MLA Olsen's office will organize the meeting but they need potential dates from us to work with.

Devon, would late June work for you or would you like to do it earlier? And how long? 45mins seems appropriate.

Devon, does MLA Olsen want staff on the call to respond to specific detailed questions or would he prefer it be more high-level and just with him and the Minister?

Jack, please work with Devon to develop an agenda for the meeting.

Warm regards all, Sam
