I like the revisions. Coming from the mtg with Minister Jordan – wondering if the letter should go to both MBJ and Minister Melanie Joly, Minister of Economic Development and Official Languages...and maybe Minister Catherine McKenna, Minister of Infrastructure and Communities???

I talked with their DM and she thought it went out on Monday. But I would have thought MLP would get a cc. Maybe check with that office?

Hey Tom,

I'm trying to track down the final letter that was going to be sent to Minister Jordan? I know there had been some back and forth and me and Sam aren't sure where it has been left.

Thanks!

Jack
